### Invitation

Dear Sir or Madam,

it is our pleasure to cordially invite you to the fourth Annual Session of **Baden-Baden** enclosing **March, 26<sup>th</sup> to 29<sup>th</sup> 2020**.

For years, Model United Nations conferences have given young people the opportunity to debate important world issues. It gives the opportunity to review diverse point of views not only on global issues but also on human rights, disarmament, economic, social and security issues. We are looking forward to seeing you all here in Baden-Baden to jointly have a stimulating and enjoyable conference, that we know MUNoBB will be to find suitable solutions for the the most urgent problems. You will find a more detailed description of the conference in the documents attached or at [www.munobb.de](http://www.munobb.de).

### What is Model United Nations?

A Model United Nations (MUN) Conference is a simulated session of the United Nations in which the participants adopt the role of Delegates to the UN. In simulated UN bodies, for example the Security Council or the General Assembly, the delegates debate international issues, reach compromise solutions and then pass resolutions.

Each participant represents a country which he or she has researched prior to the conference. Delegates do not represent their own opinion, but as realistically as possible argue the allocated country's official position on the matter under discussion.

English, being one of the official UN languages, will be the formal language of the conference.

What is special about Model United Nations of Baden-Baden?

- **Different levels of difficulty:** Every participant should feel comfortable with their state of knowledge. Therefore, every committee has a different level of difficulty. (Beginner, Intermediate, Advanced, Proficiency)
- **First-timers coaching:** First-timers, students who attend in a MUN for the first time, are often reserved and shy. Therefore the delegates will get a more intensive and better support.
- **Minimum age of 16**
- **Crisis meeting:** On the last day, there will be a crisis meeting with all delegates of each committee in a special plenum
- **Intensive support:** The management places a high value on an intensive support and contact with all participants

### Student officer application

Each committee has a chair, head or President who is the student officer in charge of the forum. There are 2 Student Officers in each GA committee and in the Special Conference. In addition to that they have to work through the position papers from their delegates.

Due to these facts they have to be experienced MUNers with in-depth knowledge of the MUN procedures as well as the agenda topics.

If you want to apply for such a position you have to

1. Write an **E-Mail to [management@munobb.de](mailto:management@munobb.de)** with your intention to take part as a student officer.
2. Write a **letter of motivation** including your past MUN experience.
3. Send a **letter of recommendation** from your MUN director.

**The application will close on December, 16<sup>th</sup> 2019.**
